Total Clinical Experience: 6 years

Total NovaCare Experience: 6 years

Christopher Hanson is the Center Manager of Shore Orthopaedic Physical Therapy in Cape May Court House. As Manager and treating physical therapist, Chris specializes in lower extremity injuries and post-surgical shoulder repairs. With a background in outpatient orthopedics and sports medicine, his hallmark is thoroughness, efficiency and compassionate care for his patients.

Chris earned his Masters degree in Physical Therapy in 2008 from D'Youville College in Buffalo, New York and completed clinical internships at NovaCare Rehabilitation in Rock Hill, South Carolina, Albany Medical Center, Albany, New York, and Cincinnati Sports Medicine and Orthopedic Center, in Cincinnati, Ohio. Chris has also completed extensive post-graduate education in Manual Therapy, a specialty in orthopedic physical therapy, recently completing his residency program through The Ola Grimsby Institute. In his continuing pursuit of academic and clinical excellence Chris has completed courses on spinal and extremity joint mobilization, running and lower extremity injuries, shoulder pathology and treatment, cervical and lumbar spine injuries as well as neural mobility. In addition, Chris is certified in the Graston® Technique. Chris is likewise certified in an ACL prevention program, and also completed a certification in manual therapy through Ola Grimsby. A dedicated professional, Chris looks forward to new academic achievements and continued clinical excellence in his chosen field.

Christopher's Vision... “My focus as a physical therapist is to ensure each of my patients is educated on their pathology and receive treatment that is evidence based to ensure a timely return to work and recreational activities. I create comprehensive exercise programs for every individual and take a hands-on approach to their rehabilitation. Returning patients to optimal health and an active lifestyle is my greatest measure of success.”
