Total Clinical Experience: 28 years

Total NovaCare Experience: 12

Douglas Dannehower is the Center Manager of Shore Orthopedic Rehabilitation in Somers Point, managed by NovaCare, located at 24 McArthur Boulevard. A clinical veteran with more than 28 years' experience in the field, Doug has garnered a wealth of knowledge from his lifetime of service treating patients in the outpatient setting. His specialties include shoulder impingement, rotator cuff repair, instability of the knee, ligament repairs, and lower extremity fractures. With a focus and expertise in treating sports injuries, Doug is a highly skilled physical therapist as well as providing day-to-day operations and supervising and mentoring the clinical team. In 2013, Doug completed the one-year post-graduate program of the Ola Grimsby Institute (OGI) in Manual Therapy, earning the designation COMT (Certificate in Orthopedic Manual Therapy). In 2014, he continued his post-graduate education by completing the one-year residency program in manual therapy through the Ola Grimsby Institute. The residency program included spending 150 one-on-one mentoring hours with OGI instructors around the country. With completion of his research project proposal, Doug will earn his Doctorate in Manual Therapy. In 2015, Doug is going on to the fellowship program in manual therapy for more intensive education and a higher level of manual skill, pathology detection and exercise prescription.
